

# JP ENGINEERING

FINDING REAL WORLD SOLUTIONS

## About Us

Established as a Sole Proprietorship firm in the year 2018, we “JP Engineering” are a leading Manufacturer of a wide range of CNC And PID Controller, Servo Motor, Solid State Relay, AC Drive, Electric Control Panel, Servo Drives, etc. Situated in Ahmedabad (Gujarat, India), we have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company. We offer these products at at reasonable rates and deliver these within the promised time-frame. Under the headship of our mentor “Mr. JP Chavda”, we have gained a huge clientele across the nation.
